

LIZ STRINGER

~ ALBUM LAUNCH TOUR ~

Blues/folk impresario **Liz Stringer** returns with her third album installment *Tides of Time*, scheduled for release April 16. To compliment the release the Stringer camp are preparing to embark on her new national album tour this Autumn.

Tides of Time, is a unique project album, with Liz performing unaccompanied and laying down all instrumentation alone.

The ten tracks selected have been hand-picked for the intimate and understated recording style; that being solo on a vintage 8 track, with a lone engineer in a converted church in Melbourne.

Liz has had a stellar 18 months since the highly successful national tour of her sophomore release, *Pendulum*. Including a personal invitation to be part of Deborah Conway's 'Broad series', national tours with blues legend, Eric Bibb, Joe Henry and Mia Dyson, her coveted win of the Melbourne Songwriters Award and appearances on SBS TV's infamous RockWiz and ABC TV's Sunday Arts program.
