

THE PEEP TEMPEL

~ SINGLE LAUNCH MELBOURNE ~

Garage/disco duo **The Peep Tempel** write songs that will belt you around the ears and make you shake your hips with reckless abandon. They will take you to a place of sonic bliss... and they will take you all the way. Launching their first single ***Telephone Static***, lifted from their upcoming full length album due out later this year, catch **The Peep Tempel** at The Old Bar on Friday 23rd April for some boisterous rocking good times.

The duo Blake (Guitars/Vocals) and Steve (Drums/Vocals) formed not so long ago and are fast gaining a reputation as one of Melbourne's most infectious live acts. They have a healthy appetite for indie, garage and pop-punk disco and exude a raw energy that will command your attention and quicken your heart rate.

They have achieved a lot in a short amount of time, having only played a few shows. They were handpicked to play the 2009's PBS presents 'Live and Local' stage at Northcote's High Vibes Festival, and recently their single ***Thank You Machiavelli*** was named single of the week in Brisbane's Rave Magazine.

The single is available via the band's own label Arbitrage Records at www.arbitragerecords.com.au

Whatever you do, make sure you catch **The Peep Tempel** for their Melbourne single launch....
