

KIRA PURU & THE BRUISE

WHEN ALL YOUR LOVE IS NOT ENOUGH/APPLE TREE

7" VINYL SINGLE

Over the past two years since forming, Newcastle/Sydney based band **Kira Puru & The Bruise** have been steadily gathering speed and momentum whilst touring solidly in 2011, playing songs off their debut EP *The Liar*. The band are now excited to be releasing their latest offering, a 7 inch vinyl single **When All Your Love Is Not Enough** (out now).

The new single sees the band wrapping their minds around a new set of music ideas. *"We've been listening to a wider range of music; more film soundtracks and psychedelia, and drawing from that. The rhythms are physical, tense and less conventional. We're experimenting with instruments and textures, the sound is wider than what we've done before."*

Their sullen, sweaty and spine-tingling brand of rock has earned them a throng of dedicated fans Australia-wide as well as industry accolades. Recently, the four-piece received props in Australian Vogue, from Melbourne singer/songwriter Lanie Lane, who described Kira Puru & The Bruise as 'an absolute powerhouse.' The band will be performing again up and down the Eastern seaboard during March and April in a string of dates for their **When All Your Love Is Not Enough** Single Launch Tour (check your gig guides for dates).

They emanate a sound of bad juju mixed with broken rumble guitars gravelling away under bitumen drums, while Kira's voice drives away to bury the body of Indie pop in a shallow grave marked with a razor mic at the legendary Crossroads. You may not yet know what the 'mean reds' are, but **Kira Puru & The Bruise** will help you understand. Slowly. Skilfully.

Comprising of Kira Puru on vocals, Jamieson Shaw on bass, Chas Jagger on drums, and Geordie Malone on guitar, when the truth needs to be told **Kira Puru & The Bruise** reach for the reverb and tell it like it is, dripping 1000 watt honey down to the underground. Sweeter than sin, hotter than Hades, **Kira Puru & The Bruise** conjure the slow burn of the sacred night before uncoiling the six string whip that lashes the air and Mistress Kira lays down the law.

The single features the songs **When All Your Love Is Not Enough** (A side) and **Apple Tree** (B side) and is available now on 7" vinyl at all good record shacks nationally.

"Sharon Jones-meets-Ella Fitz pipes, flirty menace and whip-tight, black singlet-clad band are an enticing slice of badass that had an early-arvo room thrashing merrily along." - **The Brag**

"Unnerving, ungodly and strangely enticing."
- **Forte Magazine**

"It's a little bit of sunshine and a whole lot of darkness"
- **The Dwarf**
