## IN THE MORTUARY ~ CD SINGLE

*In The Mortuary* is the second single to be lifted from Melbourne band **Witch Hats** highly acclaimed 2011 release **Pleasure Syndrome** (out now on Longtime Listener). Recorded by Casey Rice (Tortoise, Dirty Three), the song emanates a sound of bad juju mixed with melodic pop-laden rumblings, catchy riffs, all blended with murky undertones.

Having released two EP's and two albums since their formation, and after various line up changes, the album reflects a more mature and pop-orientated sound for **Witch Hats**, albeit still containing a mixture of primal pop, post-punk, swamp rock, avant-noise and gothic-noir nuances.

**Pleasure Syndrome** is described by their record label Longtime Listener, as 'the sound of a brash young band grown a little older, possibly wiser, and certainly more musically adroit....**Witch Hats** are a band who see the cold light of day via the shadows they dwell in...'

Comprising of Kris Buscombe (vocals/guitar), Ash Buscombe (bass), Robert Wrigley (guitar), and Matt Cox (drums) **Witch Hats** will be touring various cities to showcase songs from the album in the very near future. Keep an eye on your gig guides. A video clip for *In The Mortuary* was recently filmed in a Melbourne warehouse by director Kate Hodgetts.
